A DANGEROUS ADVENTURE

Synopsis.

Twelfth Episode

The Lion's Prey.

Mac and Marjorie have been thrown into the stream with the hippo. Mac Helps Marjorie. An expedition, headed by Col. Harrison, is on its way through the jungle. A motorcycle scout has been sent out ahead and the driver sees the struggle in the water and rescues Marjorie and Mac, and leads them to the expedition where explanations are given for their strange appearance in the jungle. Col. Harrison offers to escape them to Tomikey.

Brandon returns to Ubanga and tells the chief that Marjorie escaped from her hut, - he, Brandon, - attempted to follow but failed. The motorcycle again starts out this time with the driver and Mac. They reach the spot where Ubanga struck camp, and - in leaving, are attacked by lions. They escape the animals and continue on their way.

Brandon and Ubanga reach another village and warn the chief of the approach of the strange machine. All prepare to welcome them.

The village appears deserted. The boys halt; the chief is on his hut with Brandon. By pulling a cord from his hut, the chief releases his den of tigers. They rush out into the street and surround the motorcycle and the two boys.

The end.
